## *Dear Friends*

The parish of the future will be different. The urgent task of our time is to try to reach out to younger generations, leading them to know Jesus Christ and understand what Jesus can mean in their lives.

I hope tomorrow's parish will be a place of welcome for all. In my conversations with young people, it is clear that we have to be more welcoming and attentive to the young, embracing difference and open to exploring their questions and concerns. In addition, I hope tomorrow's parish will be a centre of learning where all find nourishment in faith and support in friendship. I hope that tomorrow's parish will also be confident and outward looking sending 'missionary disciples' to bring the presence of Christ into the world.

To make the parish of the future a reality, we need to constantly develop new ways of working together, sharing resources and expressing solidarity. Share is crucial in enabling a better future for all. Your contributions to Share will ensure that we meet all our responsibilities while prioritising working together for mission.

Thanks to Share, we are able to provide support services to our parish communities in child safeguarding, education and schools, repairs to buildings, prudent financial management, human resources and training people to work in evangelisation and catechesis.

Thank you for supporting the Share collection and I appeal to you to continue to give generously to Share, the second collection, each Sunday. Your help is an invaluable in building the parish of the future.

Yours sincerely,

+ *Diarmuid Martin*
