To be a person of hope can be challenging, especially in a society with increasing secularism, homelessness, cost of living, war, violence, lack of social cohesion, little care for our planet, and general human brokenness. While reflecting on where to find glimmers of hope in our world today, the team of Fr Alan Hillard & Mary-Aoife Ong came together. What emerged was an imaginative presentation entitled *Pockets of Hope* inspired by Pope Francis' message *Spes Non Confundit* (Hope Does Not Disappoint).

This presentation is the focus for a Pilgrimage during the Jubilee Year of Hope 2025, hosted by four of the Churches in Dublin City: St. Mary's Pro-Cathedral, Marlborough Street; Our Lady of Lourdes, Sean McDermott Street\*; Church of the Immaculate Heart of Mary, City Quay\*\*; and St. Andrew's Church, Westland Row. There is a further display in St. Kevin's Church, Glendalough.

You are invited to journey the pilgrim path and reflect on the message of Hope this Jubilee Year. The desire is that many people in Ireland can be filled with the gift of Hope during this Jubilee Year and, more importantly, that all can become 'bringers of hope' to those we meet.
